

DAVE MARKHAM
REGIONAL MANAGER – SOUTH ASIA.

To provide the right focus and technical expertise, Dave Markham has been appointed to manage Geofabrics business operations in South Asia including India.

Until late 2005, Dave was a Director of Maccaferri UK, where he developed his geosynthetic and management expertise.

Before joining Geofabrics in January 2007, Dave was engaged as a project management consultant, providing engineering construction advice and project delivery throughout the sub-continent, Southern Asia and Eastern Europe.
